1) As submitted

There is no resolution of the chittaldrug Town municipal council with regard to the suitability of the site selected for the purpose in question

2) It is also not clear as to why the proposal has not been submitted through the D C and the Asst Registrar chittaldrug district, as he is the proper authority to grant licences for the construction cinemas etc under the cinematograph Act and whether the provisions of the cinematograph Act have been fulfilled in this case

3) The above defects are submitted for consideration

4) If approved, the plans will be sent to the government Architect

8) Returned, with compliments, to the Revenue Secretary

The design for the Cinema Theatre will be suitable after the following alterations have been affected in the plan:

A. SITE

The site is suitable for a Cinema, but the out-house shown at the corner of Lakshmi Bazaar Road and the Municipal main drain must be omited The theatre building itself should be reduced in size and shifted in such a manner as to allow 15 feet open space inside the compound at the side and back and at least 25 feet in front

1060/29/7

B. BUILDING

1) The stair-case to the projection room must be continued to the ground floor. It should be fully enclosed without any connections to public passages or

A

27/7/

or balconies, particularly, in the first floor The width of the stair-case room must not be less than 7 feet clear

2) All walls enclosing the projection room must be 9 inches thick

3) The width of the ground floor verandahs should be increased to 8 feet clear

4) The design should indicate the load on the main walls under the roof trusses, the stress in the beams supporting the balcony (which appear too small in section for a span of 47'), and the material used for inner ceilings under the balcony and under the roof trusses

5) The area of the ventilators should be increased to a total of 1/6 of the floor area of hall and balcony together In addition, ceiling and roof ventilation should be provided

A

As the above defects are of a serious nature, I would suggest that the plans may be returned to the applicants for necessary alterations before a license is granted

The President,
Town Municipal Council,
CHITALDRUG

The Revenue Secretary,
to The Government of Mysore,
BANGALORE

Sir,

Subject - Construction of a Cinema Theatre at Chitaldrug Town on Modern and up-to-date lines

I have the honour to forward herewith an application presented by Messrs Dummi Bros , & Co , for necessary permission to construct a Cinema Theatre at Chitaldrug Triplicate plans in Blue Print are also enclosed

At present there are only two theatres in Chitaldrug Town Neither of them are absolutely sound proof and they are also not up-to-date in plan and design The Town is fast growing both in extent and population and the need for a decent and up-to-date Theatre is very keenly felt by the General Public Since Chitaldrug is an industrial and commercial place, there will be a large floating population from the rural parts from the surrounding Taluks where there are no Cinema Theatres for recreation Especially in cotton and groundnut seasons, that is, during the major portion of the year, a large number of the Public have gone disappointed for want of accommodation in the Existing Theatres

Messrs Dummi Bros , & Co , have now come forward to construct a Cinema Theatre on most up-to-date and modern lines They propose to construct an absolutely sound-proof structure

The site on which they propose to construct a Theatre is most suitable for the purpose Since it is most centrally situated it would be advantageous for residents of every portion of the Town The site has decent roads on all the three sides and the construction of a decent Theatre will improve the beauty

beauty of the locality. The main entrances are proposed towards the Eastern and Southern roads where the usual traffic is negligible. Since the deviation of the present Provincial Road has been taken up for execution there will not be much traffic even on this third road to the Northern side.

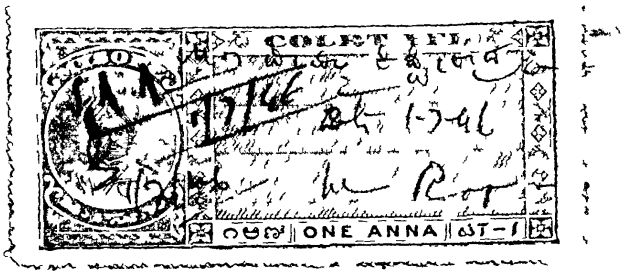
I am of opinion that a License may be issued as prayed for by the Applicants for the construction of a Cinema Theatre. I therefore, request you kindly to obtain the approval of the Government Architect for the plans produced by the Applicants.

I have the honour to be,
Sir,
Your most Obedient Servant,

S. Lanza

President
Town Municipal Council, Chiteldrug.

Chiteldrug
Dated 24th July, 1946.



To

The President,
Chitaldrug Municipality,
Chitaldrug.

Sir,

You are aware that the Town of Chitaldrug is progressing by leaps and bounds in directions and activities There has been a long standing want for a suitable, decent and up to date building for all theatrical amusements to this town.

To remedy the above want Dummi Bros & Co., are desireous of constructing, on modern lines, a building suitable for all theatrical activities.

I, on behalf of Dummi Brothers & Co, request you to grant permission for constructing a building of the type mentioned supra on the site bearing Municipal No 38 of V block And I herewith tender the necessary plan of the proposed building for your kind perusal and immediate permission

Thanking you,

I am,
Yours faithfully,

General and Revenue Secretariat

No 2 1356 *Dated Bangalore,* 29th **July 1946**

FROM

The Secretary to the Government of His Highness the Maharaja of Mysore
Revenue Department

To

The Deputy Commissioner and District Magistrate,
Chitaldrug District

Sir,

I am directed to state that the President, Chitaldrug Town Municipality, has forwarded plans with his letter dated 24th ~~April~~ July 1946 - a copy of which is enclosed herewith - submitted by Messrs Dumni Bros ,& Co , for the construction of a cinema in the Chitaldrug Town The Government Architect who was consulted in the matter has observed as follows in regard to the suitability of the place -

A SITE

The site is suitable for a Cinema, but the outhouse shown at the corner of Lakshmi Bazaar road and the Municipal main drain must be omitted The theatre building itself should be reduced in size and shifted in such a manner as to allow 15 feet open space inside the compound at the side and back and at least 25 feet in front

B BUILDING

1 The stair-case to the projection room must be continued to the ground floor It should be fully enclosed without any connections to public passages or balconies, particularly, in the first floor The width of the stair-case room must not be less than 7 feet clear

2 All walls enclosing the projection room must be 9 inches thick

3 The width of the ground floor verandahs should be increased to 8 feet clear

4 The design should indicate the load on the main walls under the roof trusses, the stress in the beams supporting the balcony (which appear too small in section for a span of 47'), and the material used for inner ceilings under the balcony and under the roof trusses

5 The area of the ventilators should be increased to a total of 1/6th of the floor area of hall and balcony together In addition, ceiling and roof ventilation should be provided

In the light of the opinion furnished by the Government Architect, the plans are returned herewith, with a request to get

get them altered accordingly, before a license is granted.

After getting the necessary alterations effected, the same may kindly be recommitted together with a report in regard to the grant of a license for the construction of the cinema, as prayed for

L S G BRANCH

Sir,

With reference to your letter No L 1356 dated 29th July 1946 enclosing plans etc , submitted by Messrs Durmi Bros , & Co , for the construction of a cinema theatre in the Chitaldrug town and asking me to get the necessary alterations effected as per the suggestions of the Government Architect and calling for my report, I have the honour to state as follows

The revised plans produced by the parties in accordance with the instructions of the Government Architect were sent to the Executive Engineer, Chitaldrug, for scrutiny The Executive Engineer after due verification of the modified plans and sections, has intimated as follows in his letter No 390/9-12-1946

1 In view of the span of 46 feet for the R C C beam supporting the balcony, it is desirable that working drawings are submitted for this work during the execution and approval obtained

2 According to the bye-law No 11 (V of the Cinematograph Rules 1946) the cinema theatre should be situated outside the distance of 220 yards from any existing school or hospital In this particular instance the compound of the Urau Middle School is at a distance of only 222 feet from the compound wall of the proposed cinema and that the Veerasiva Hostel, a private building is adjacent to the compound wall of the Urdu School building towards the proposed cinema building

3. There is a previous history about this site While dealing with some other record, it was revealed that the site in question was at one time proposed to be acquired by the Municipality for the construction of a mutton stall Probably due to some protest by the Public or the owner of the site himself, On a reference made by this office, the Government in their letter No 7824/M1 119-41-238 dated 8th February 1943 ordered that the acquisition proceedings might be dropped, and directed that the owner of the site may be permitted to construct thereon only a

a dwelling House. (Copy of the letter from the [redacted] Law Department is enclosed). Now that the proposition is for the construction of a cinema theatre, the Government will have to revise its previous orders before any such permission could be granted. The previous correspondence is not available in this office. A reference is made to the President of the Municipality to send the connected records if available in his office.

A further communication will be made in the matter soon after the receipt of the previous records from the President of the Chitaldrug Municipality

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,

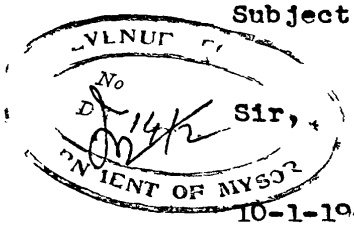
Subject, Construction of a cinema theatre by M/s Dumni Bros and Co, in the Chitaldrug town



Sir,

In continuation of this office letter of even No dated 10-1-1947 on the above subject, I have the honour to forward herewith copy of report No 47/46-47 dated 21-1-1947 received from the President of Chitaldrug town Municipality with the connected papers, furnishing the history of site No 38 in question as follows,

In the year 1895, the house of Sheik Buddan was acquired for opening a road from Chickpet to the Middle School. Sites No 38 and 39 in Santhepet were allotted in exchange for the house acquired - In the year 1899, Mutton Stalls were constructed on these sites by the Municipality without the knowledge of Sheik Buddan On further representation, the party was given two sites in the area of the previous cart stand now called Laxmibazar, but these sites were not also given to him In the meanwhile, the Municipal Council resolved at its meeting held on 5-3-1927 that the two sites be sold as one site with the existing old mutton stalls Accordingly, the site in question measuring 109 feet (North to South) and $\frac{149 \times 142}{2}$ (East to West) was sold in public auction on 27-4-1923 and Mr D Thipperudrappa purchased it for Rs 2000/ The sale of the site also has been confirmed by the Govt in their order No L 49-50/Ml 248-26-2 dated 6-7-1927

In the year 1940, Mr Km Krumbigal suggested that the site in question may be kept open as the land is situated in a busy locality ih Bangalore-Dharwar road The Municipal Council resolved

at its

at its meeting held on 28-9-1940 to acquire the site and requested the Govt to acquire the site The Government in letter "X" No L 7520 Ml 169-38-4 dated 28-9-1940 received from the Law Secretary to Govt directed that the site may be acquired and that the site in question should be kept vacant as per opinion expressed by Mr Krumbiegal

On the representation of the party that he has invested a heavy amount towards the purchase of the site etc , and requesting permission to construct a house thereon, the Government in letter "A" No L 7824 Ml 119-41-238 dated 8-2-1943 of the Law Secretary to Govt directed that the acquisition of the site may be dropped and ordered that the owner may be permitted to construct thereon only a dwelling house

In accordance with the instructions of Govt conveyed in "G" your letter No L 1356 dated 29-7-46 forwarding the plans etc furnished by M/s Dummi Bros & Co , and intimating that the Govt Architect who was consulted was of opinion that the site is suitable for a cinema, a reference was made to the Govt Architect in this office letter No A6 C 444-79/46-47 dated 6-8-46 for scrutiny of the plans etc The Govt Architect, in his letter No 443- dated 20-8-1946 intimated that license may be granted suggesting certain observations The plans were then sent to the Executive Engineer,Chitaldrug in this office letter No 444/46-47 dated 28-8-1946 The Executive Engineer,Chitaldrug,in his letter No 390/46-47 dated 9-12-1946 after verification of the plans and estimates has intimated as follows —

(1) In view of the span of 46 feet for the R C C beam supporting the balcony, it is desirable that working drawings are submitted for this work during the execution and approval obtained

(2) According to bye-law No 11(V of the cinematograph rules 1946) the cinema theatre should be situated outside the distance of 220 yards from any existing school or Hospital In this particular instance, the compound wall of the Urdu Middle School is at a distance of only 222 feet from the compo nd wall of the proposed cinema and that of the Veerasiva Hostel, a private building which is

adjacent to the compound wall of the Urdu school building towards the proposed cinema building

All the formalities prescribed in the Mysore Cinematograph Rules 1946 re the grant of license for the construction of cinema buildings have been followed As the Veerasiva Hostel is adjacent to the Urdu School building and as there is public Road between the compound of the Veerasiva Hostel and the proposed cinema ,the existing distance of 222 feet from the proposed cinema to the compound wall of the Urdu School building may be allowed by exempting the rule 11(c) as a special case Now that the present application is for the construction of a cinema theatre and as this site is reported to be suitable for the purpose, the previous order of Govt directing the construction of a dwelling house will have to be revised before the permission is granted for the construction of a cinema theatre as opined by my predecessor

11 (v)

In this connection I wish to point out that the Govt Architect in his letter No T P C 13/46-47 dated 16-1-1947 has forwarded a copy of the resolution of the Town planning Committee to the effect that the site plans of all the cinema theatres in the State must be sent to the Town Planning committee for scrutiny, But as per the Mysore Cinematograph Rules 1946 approved by Govt in their order No P 1142-Pol 78-42-2 dated 4-9-1946 the opinion of the Executive Engineer is sufficient If it is considered necessary to send the plans etc , to the town planning committee,they may be sent to the Town Planning committee for scrutiny before permitting the parties to construct the cinema theatre.

Booklet mtup

The plans,estimates etc , received with Executive Engineer's letter No 390 dated 9-12-46 are also enclosed herewith

herewith for favour of reference

In persuance of Rules 7, 11,12 and 13 of the Mysore cinematograph rules 1946, the Executive Engineer,has to scrutinize the plans etc , and furnish his opinion in regard to the suitability of the cinema theatre The town Planning Committee has resolved at its meeting held on11-1-1947 that the site plans for the construction of all the cinema theatres in the State must be sent to the town Planning committee for scrutiny This may not be binding as the Executive Engineer has to scrutinise the plans etc , as per cinematograph Rules Instructions of Govt as to whether it is necessary to send the site plans etc , to the Town Planning Committee,may kindly be obtained and communicated for guidance in this office

Subject: Construction of a cinema theatre by M/s Dummi Brothers and Co in Chitaldrug Town

Sir,

With reference to your letter No L 15339/W R dated 1-5-47 on the above subject, I have the honour to furnish information as follows,

Points raised	Replies
1 Which is the Bungalow referred to, to the North of the site in question in the enclosed plan?	It is stated that the Bungalow belongs to Mr Sahukar Veerabhadrappa and it is used as a private residence.
2 What are the buildings that lie to the West and South of the site on which the theatre is proposed to be constructed?	To the West of the site there are vacant sites and licenses are stated to have been issued for the construction of Private buildings and they are at several stages Towards the South,
3 For what purpose, the surrounding buildings referred to above are being used?	there is the main road leading to Dhanalaxmi Bazar and there are private dwelling houses to the South of the said road
4 The location of the Urdu Middle School and the Veerasiva Hostel may be clearly specified	The building marked 'B' in the plan is the Veerasiva Hostel and it has an extensive compound and is separated by a main road leading to Horapet. The Building marked "C" is the Urdu Middle School Between the proposed theatre and the Urdu Middle school there is the main road leading to Horapet and the extensive compound of the Veerasiva Hostel.

The President of the Municipality reports that the proposed theatre does not inconvenience either the dwelling houses or the public Institutions and requests to grant permission for the construction of the theatre In the above circumstances,

circumstances, I request that M/s Dummi Bros and Co., may be permitted to construct the cinema theatre as already recommended by my predecessor.

All the connected papers ending with letter no ~~461~~/46-47 dated 29-6-47 of the President of Chitaldrug Municipality are enclosed for favour of reference and return when done with.
